

Can you recognize people on this photo?

November, 2014

According to family story the boy in the photo is Leon (Lev) Kogan, son of Peysakh Kogan (my great grandfather), and with him his adopted parents... Leon was born in 1902, and this photo, probably is from 1910-1912. It is possible that this “adopted parents” are in fact some relatives. If you recognize these people, please let me know.
