Christine Kathleen Swerling (resigned 30 November 2024)
Michele Sutton (appointed 4 July 2024, resigned 1 December 2024)

Governance and Internal Control

The company is administered by the Board of Directors which meets regularly to discuss strategy and implement policies.

The company is governed by its Memorandum and Articles of Association at incorporation on 27th November 2007, as amended on 20th June 2018, 8th December 2020 and 14 March 2023, together with the Board of Directors Terms of Reference dated 20th June 2018.

Objectives and Activities

The principal objective of the charitable company is to advance the Jewish religion by the provision and maintenance of a synagogue for the purpose of public worship, marriages, burials and social welfare, youth and other activities for its members and others and for such other charitable purposes as the Board shall determine.

The Directors have given due regard to public benefit guidance published by the Charity Commission.

Cheshire Reform Congregation Limited
Company limited by guarantee

In order to achieve its objectives, the charitable company has the following strategies;

- The employment of a Rabbi.
- The running of a religious school.
- Holding services on the Sabbath, all religious holy days and to celebrate religious festivals.
- Educational and social activities to encourage friendships and promote a Jewish experience.

Financial Review

Unrestricted reserves available for general activities increased during the year even though unrestricted income was lower than last year as there was no major fundraising event in the period. Salary costs were lower as the synagogue was without a Rabbi for 11 months and less needed to be spent on maintaining the building. The charitable company had net current assets at the balance sheet date and free cash reserves of £285,000, the remaining cash being ringfenced in Restricted Funds for specific purposes. The charitable company is therefore able to continue in operation and meet its debts as they fall due. The Board of Directors meets on a regular basis and the financial position is reviewed at these meetings.

The Directors' investment powers are governed by section 6 of the Articles of Association. The policy is to aim for safety commensurate with immediate and planned spending requirements. The Directors continue to manage the investments in conformity with the policy and its Bye Laws. The Board has agreed that to minimise risk surplus funds should be held on deposit. Accordingly, such funds are held as cash balances and not otherwise invested.

The Board of Directors has identified major risks to which the charity is exposed. Procedures have been established to enable regular review and assessment of the risks. Consequently, the Directors are satisfied that necessary steps have been taken to lessen and mitigate risk.

Future Plans

Menorah is pleased to have appointed a new Rabbi and the Board and volunteers will work with the Rabbi to expand and develop the community, adhering to the principles of Progressive Judaism, with a particular focus on young families and young adults.

Statement of the Responsibilities

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the surplus or deficit of the charitable company for that period. In preparing the financial statements the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates which are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for the safeguarding the assets of the charitable company and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Cheshire Reform Congregation Limited
Company limited by guarantee

In so far as the Directors are aware:

- the Directors have taken all the steps that they ought to have taken to make themselves aware of any relevant account information and to establish the charitable company's accountants are aware of that information.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

- (1) accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Notes to the financial statements
for the year ended 31 March 2025

1. Accounting policies

1.1. Accounting convention

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011 and Companies Act 2006

1.2. Basis of Preparation

The financial statements have been prepared on the historical cost basis as modified by the revaluation of certain financial assets and liabilities measured at fair value through income or expenditure.

1.3. Going Concern

At the time of approving these financial statements after reviewing the charity's financial forecasts the directors are confident that the charity has adequate resources to continue in operational existence for the foreseeable future and therefore continue to adopt the going concern basis in preparing the accounts.

1.4. Fund accounting

The Charity's funds consist of four Restricted Funds and the Unrestricted Funds. The Restricted Funds are income funds which can only be applied for charitable purposes specified by the donor. The Unrestricted Funds are available for use at the discretion of the directors and in furtherance of the Charity's objects and funds may be designated for a specific purpose if deemed appropriate.

1.5. Incoming resources

All incoming resources are included in the SOFA when the charity is entitled to the income and the directors are virtually certain they will receive the resources and the amount can be quantified with reasonable accuracy, in which they are receivable. No donations or income are recognised until there is reasonable certainty that it will be received. Tax recoverable on income received is recognised in the same period that its associated income is recognised.

1.6. Expenditure

Expenditure is recorded on an accruals basis as a liability is incurred. VAT is included with the item of expense to which it relates because it cannot be recovered.

Governance costs are those costs associated with meeting constitutional and statutory requirements and include the independent examiner's fee and cost linked to the strategic management of the charity. These costs are included in Professional Fees.

1.7. Costs

Costs are allocated to categories on a basis which is intended to reflect the use of the resource.
