TRUSTEES REPORT

FOR THE YEAR ENDED 31 OCTOBER 2005

The trustees present their report and accounts for the year ended 31 October 2005. The 2004 comparatives are in respect of the year ended 31 October 2004. The New North London Synagogue, a company limited by guarantee, and is registered by the Charity Commission under registration number 1094668.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, applicable law and the requirements of the Statement of Recommended Practice, "Accounting and Reporting by Charities" issued in October 2000.

Objects of the charity

The charity was established by a charitable trust deed on 10 November 1974. A new trust deed was approved on 9 June 1998.

The charity's objects are to further the objectives and to conduct the activities of The New North London Synagogue under the direction of the council, which is elected by the members of the Synagogue.

Review of activities

The Audited Report and Accounts for the year ended 31 October 2005, which are to be put to Members at the AGM on 19 June 2006, resulted in a net surplus of £7,470 in respect of the Unrestricted Fund on Income received of £595,120, and a deficit of £27,075 in respect of the Restricted Funds on Income received of £93,702. Unrestricted funds are in the main those received from membership subscriptions, education charges, social functions and donations, which are utilised in the general day-to-day running of the Synagogue. Restricted funds are those received and utilised only for specific purposes, namely the Gan Alon Nursery School and the New Building Appeal Fund.

During the last year, the number of membership units increased, net of leavers, from 897 to 928, representing some 1,470 adults and 820 children. The increased number of educational and communal activities together with the growth in our membership has resulted in an increase in overhead costs with a small rise in professional and teaching staff being employed. The average number of staff including professionals, teachers and office was 68, the majority of whom are employed on a part-time basis and we are extremely grateful for all their invaluable work. Operating expenses rose over the last year with increases in education and general office expenses, as well as the AMS charge. Our contribution to the Assembly of Masorti Synagogues is levied on a per capita basis and is paid out of the membership subscription received.

The New Building Appeal Fund was set up from the donations pledged in the initial appeal made to members in 2002, and provided the essential funding required for the original and subsequent planning applications filed in 2004 and 2005. Following appeals and three reapplications, the Planning application was finally successful in September 2005. The total cost incurred in the preparation of these applications and subsequent work has now exceeded some £412,000. These costs includes architects, surveyors, engineers' and other professional fees and a third share of the joint costs incurred by all the parties on the Manor House site. There has also been some £59,000 of legal costs incurred in the planning applications and appeals as well as for the complex preparation of the agreement and lease for the new Synagogue on the Manor House site. Further fund raising is currently in progress and the total amount pledged by members as at the time of writing is £2.145M.

I will at the time of the 2006 AGM have completed my four year tenure as Treasurer. The time spent has been most rewarding and on occasions, quite demanding of a different skillset which I have had to learn as part of the role. I am extremely grateful to all who have worked and helped guide me in my work which I trust has helped the community.

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Risk factors

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Asset cover for funds

Note 13 sets out an analysis of the assets attributable to the various funds and a description of the trusts. These assets are sufficient to meet the charity's obligations on a fund by fund basis.

THE NEW NORTH LONDON SYNAGOGUE (A COMPANY LIMITED BY GUARANTEE) STATEMENT OF TRUSTEES RESPONSIBILITIES

Company law requires the trustees to prepare accounts for each financial year which give a true and fair view of the charitable company's state of affairs at the end of the year and of its income and expenditure for that period.

In preparing those accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the accounts comply with the Companies Act 1985, they are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THE NEW NORTH LONDON SYNAGOGUE

We have audited the accounts of The New North London Synagogue for the year ended 31 October 2005 set out on pages 6 to 14. These accounts have been prepared under the historical cost convention and the accounting policies set out on page 8.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As described on page 4, the trustees, who are also the directors of The New North London Synagogue for the purpose of company law, are responsible for the preparation of accounts in accordance with applicable law and United Kingdom Accounting Standards. Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Trustees Report is not consistent with the accounts, if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding trustees' remuneration and transactions with the charitable company is not disclosed.

We are not required to consider whether the statement in the Trustees Report concerning the major risks to which the charity is exposed covers all existing risks and controls, or to form an opinion on the effectiveness of the charity's risk management and control procedures.

We read other information contained in the Trustees Report, and consider whether it is consistent with the audited accounts. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the accounts. Our responsibilities do not extend to any other information.

Basis of opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the trustees in the preparation of the accounts, and of whether the accounting policies are appropriate to the charitable company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the charitable company's state of affairs as at 31 October 2005 and of its incoming resources and application of resources, including its income and expenditure, in the year then ended and have been properly prepared in accordance with the Companies Act 1985.
