### SYNAGOGUE RESTORATION - THIRD REPORT

After some extremely wet weather (which found all the "weak spots"), work is proceeding satisfactorily. Some hold-ups were experienced due to the weather, necessitating extra work on sections of the small roofs leading to the hall. In the Hall itself, the old heating has been removed, and a suspended ceiling is being erected (this we are sure will please a lot of the "chilly mortals" among you). It was discovered that the rendering to a large part of the outer wall of the Hall had fallen away, and that this had caused most of the damp over the years. This is in the process of being remedied. New lighting is being installed, and general decorating in hand. The Committee Room is completed as we go to press, and Congregants will, we are sure, be pleasantly surprised at the general effect. The old records found in the Committee room are now on display in the room. Providing that no untoward hazards are met, work to the Synagogue itself will shortly begin.

To all Members who have contributed to the Restoration Fund, once again our sincere thanks. It is obvious that you care, and have an interest in seeing your property, if not restored to its full glory, at least put into good order. It is only fair for you to know how your money is being spent, and below is appended some detail. To those of you who have not yet "chipped in", we appeal. Much more is to be done, and we need your help.

#### Work already completed

Fore-court  
Lobby and gates  
Ladies staircase, powder room and vestibule  
Ladies gallery plaster work  
Synagogue lobby  
Gents toilet repaired  
Committee Room

#### Work now in hand

Stairway to hall, including roof, floor and walls.  
Main hall

#### Electrical work

Ladies gallery  
Rewire hall and kitchen  
4 new fittings in Committee Room  
Lighting on ladies staircase and new fittings in lobby.

SYNAGOGUE RESTORATION CONT'D.

Extra work found necessary

Cleaning all gutters  
Removing outside chimney from Committee Room and  
re-tile roof where necessary.  
Renewing flashing in hall roof.  
Renewing joists and part of floor in Committee Room.

Thanks are due to Mrs. G. Sacof who has been instrumental in obtaining large donations for the Fund. Also once again, on your behalf, I publicly thank Mr. Henry Springer, who has spent more time in recent months on the Shool premises, than he has with his own family. I thank Mr. Leslie Dembo, our stalwart Treasurer, who is leaving no stone unturned in his quest for funds and who, on the side, is researching the History of the Congregation. Incidentally, should anyone possess photographs, documents, or information of any sort, he would be pleased to know of them. Lastly, thanks to our Sub-Committee Chairman, Mr. Harold Seymour, spokesman, co-ordinator, public relations officer and progress chaser. Please continue to give them your support.
