Has any Member of the Community an unwanted refrigerator, which they would be willing to present or part with for a small consideration. It will be kept on the Synagogue premises for use by the Orthodox Students, and the Community at large.

BUILDING SUB COMMITTEE (INTERIM REPORT)

The Building Sub-Committee is pleased to report that the floor of the main Classroom has been repaired, and can now be brought back into use. Problems concerning the Committee Room floor, which became warped due to rising damp, is being tackled. Several vents have been inserted in the floor itself, which it is hoped, will prevent a recurrence. The cills of the Synagogue Hall, badly infected with dry rot, are receiving attention, and various other re-touching jobs are being dealt with in the coming month.
