Soviet Jewry:

Congregants are reminded that this important meeting is to be held on Monday, October 9th. The circular accompanying the August Recorder gives all the details, but we have been asked to remind everyone about this Meeting and to stress its importance. One of the projects to be discussed will require volunteers to telephone in many languages, including Russian, German, Yiddish and Hebrew. The main Speaker will be Mr. Greville Janner, M.C., M.P. The Meeting will be held at 1, Percival Road, Bristol, 8 at 8.p.m., and there will be a further Meeting on the following day, Tuesday, 10th October at 11.a.m. at 15, Limerick Road, Redland, Bristol.6, at which the ladies will be addressed by Mrs. Janner.

Our sympathy goes out to newly weds, Clifford and Rosina Springer, who made "Headlines" twice within a few weeks. The second occasion which brought them to the attention of the public, was an unfortunate accident, which resulted in the destruction of the interior of their new home and its contents by fire. Long had they laboured together on their home in the year preceeding their marriage, making everything to their liking.

Your correspondant understands that it may be at least three months before restoration can be completed.

We all hope that they have recovered from their shattering experience, and trust that they will soon be able to resume their married life in their own home, free from any further tribulation.

Congratulations to Glen and Leon on passing their Driving Test. Hard Luck Minnie, try again !

We are sorry to hear of the illness of Miss Rose Coberg, at present in the B.R.I. We all wish her well and she would like to thank all members of the Community for messages and gifts received.

Hon. Secretary

Jewish Blind Society:

Since the death of our late Chairman, Mr. Newman Cohen (G.R.H.S.) our branch of the Society, known as "The Bristol Aid Society", has contributed nothing as a group. I am aware that a number of people on whom Newman used to call, still make individual donations direct to the Society's London Office, which is much appreciated. We would however, like to function again as a Society in our own right. I am, therefore, appealing to any Member, public spirited enough to accept the position of Chairman. It would involve no more than a bi-annual collection call. Newman was of course, retired, and was in a position to make calls at his leisure, which he took great pleasure in doing. Someone with the time and transport, as well as the inclination to carry out this charitable work, would be ideal for the job.

Keys to the Cemetery are available in the afternoons from the Caretaker's house; or at any time from Mr. Alf Glick.

We regret to announce the death of Mrs. Gertie Caplan, wife of Sam Caplan of Manchester, formerly of Bristol, sister of Mrs. Nancy Silverman, Mother of Muriel and Harold. We extend them all our sincere condolences and wish them long life.

Safe journey to Larry Glick, B.Sc., who is off to Israel on the 16th October.

Dear Editor,

As Yom Kippur was drawing to a close, I decided that Mr. Gould and Rev. Moddel had done enough for the day and that I would try to say Maariv. Imagine my amazement when, before I could do anything, there was Len Gould again on the Bimah, leading the prayers.

This will be my outstanding memory of this Yom Kippur. The resilience, the durability and the cheerful acceptance of a difficult, taxing job. Because not only did he have to use his strength singing, but also in standing nearly the whole day and then standing throughout the last hour of the Service. While all of us were beginning to look greyer and hungrier Len Gould seemed to thrive.

In brief Len, and I am sure that the congregation will support me in this, I wish to express my gratitude to you for not only setting me an example of giving of yourself unselfishly for the congregation, but for making this Yom Kippur a very memorable one. May I see you at many more, conducting the Service in good health and voice.

I. Kushner.

Over the past few years, the number of young people and couples joining the Community has increased quite considerably, and I, therefore, feel that a new "Young Group" should be formed, in the first instance as a social organisation but also to help raise money for the Synagogue, a task which is being carried out so well by the more established members of the Community at the moment.

Anyone interested in this, please contact me as soon as possible, so that a Meeting can be arranged.

Alan Tobias.
