Dear Ike,

I am writing to you to express my feelings and the thoughts of our Council & Congregation at the joint Chanukah party which we held earlier this month. We felt that it was extremely worthwhile, and that it was wonderful that the whole Jewish Community of Bristol could come together for such an occasion.

We particularly felt moved that our children, the Jewish Children of Bristol, could enjoy Chanukah together and feel part of a single Community. Will you please express our appreciation to your Council and to those who helped to make it possible, with a wish that we shall be able to meet for joint events in the future.

Yours sincerely
Tony Rease.

Chairman- Mr. TON. TURVEY - ~~GOVERNOR~~ DISCUSSION

We are hoping to have stands of books and literature, fruits and Israeli specialities, and also information available from the Israeli Tourist Office.

In late October/November we shall be visiting Israel where we shall meet members of the Israeli Labour Party, the Histadrut, and Co-operative and Womens organisations. Anyone interested is invited to contact the Secretary for further details. I am sure you will agree that the problems of the Middle East are of vital importance to us all.

Yours sincerely

Shalom, friends!

My letter of 14 November, giving notice of Joy's and my intention to resign, was written with a real sense of frustration - but was not a bluff!!

It resulted in a very well attended Annual General Meeting, evolving into a long, frank and stimulating discussion on the Society and its future - to such an extent that the entertainment arranged on completion of the business didn't take place!!

It was evident that everyone wanted the Society to continue. It was equally evident that the existing format of meetings needed revision, the feeling of those present favouring a more cultural background, with more lectures from visiting speakers, and possibly some films.

With this in mind, a forward programme of up to a year, and possibly longer, is considered necessary.

Joy and I were asked to reconsider our resignation threat, and we both agreed to accept nomination for this year. Our future after this year will depend on the amount of active support received.

We have written away to various potential speakers, and the Zionist Federation has made suggestions of speakers and subjects; to date, we have not had any answers, which is why you have't heard from us.

If YOU have any ideas and/or suggestions, write or 'phone me.

However, to get things off the ground -

A NOTE FOR YOUR DIARY

RUTH CURWEN is our hostess for this evening, at:-
