MESSAGE FOR THE NEW YEAR
1981/5742

After the long period of the Jewish Leap Year, we are now approaching the solemn season of the High Festivals of Rosh Hashanah and Yom Kippur.

There is no better way to show our gratitude to the Almighty than by saying the benediction "SHEHECHEYANU V'KIYEMANU V'HIGI-ANU LAZ'MAN HAZEH", who has kept us in life and has preserved us and enabled us to reach this season.

This benediction has now a special meaning for our Communal life, that we are now able to hold our services in our newly re-built beautified Synagogue and for future functions in our new communal hall. Of course the members of our community should realise that the idea of spending so much money, energy and time to renovate our Synagogue was not entirely for the purpose of holding in it Barmitzva and Wedding celebrations and paying a visit at the three days of the High Festivals but to remember that we have our obligation towards it the whole year round.

Looking around in our present situation we find that the Middle East has again become the main centre of World interest. We wish the re-elected Israeli Government much success in their difficult task to safeguard the life of the Kibbutzim at the Lebanon borders. Let us hope that the ceasefire between Israel and Lebanon shall lead to permanent peace in Israel.

Let us hope that the following words of the prophet Isaiah will soon be fulfilled :-

"And it shall come to pass in that day that a great horn shall be blown, and they shall come that were dispersed in the Land of Egypt, and they shall worship the Lord in the holy mountain of Jerusalem".

May the New Year bring us and all Israel the blessing and enduring Peace.

I would like to conclude my message for the New Year with our Best Wishes of Good Health, Happiness and Success to the Hon Officers and Members of our Community.

BESHANAN TOVA TIKATEYVU

Rev and Mrs Model, Susan, Sidney & Family.

THE HON OFFICERS AND COUNCIL OF THE CONGREGATION WISH REV.

NEWS LETTER FROM THE ISRAELI TOURIST OFFICE

We are pleased to advise you that following the ceasefire in our northern border, the situation in this part of our country is returning to normal.

In order to promote visits of tourists after the period of unrest, various discounts are offered by hotels, coach companies and shops in the area. The Tourist administration, together with various local tourist organisations, are planning a series of special events to attract more visitors.

So, why not suggest to your friends, clients or readers to visit Israel now, and enjoy a 25% discount on hotels or Kibbutz guest house accommodation. Hunt for bargains offered by shops in the area, or participate in one of the special events which will take place.

You can rely now, more than ever, on full co-operation and warm hospitality from the tourist industry's people in the northern region of Israel.
