COMMUNAL ANNOUNCEMENTS

COUNCIL MEETING

The next Council Meeting will be held on Monday 22nd February.

SOCIAL AND PERSONAL

It is with regret that we announce the death of Mrs Micky Ginsberg.
We wish her Son, Sisters and Brother Long Life.

We are also sorry to hear of the death of Ann Handels Mother. We wish
Ann and her family Long Life.

I would like to thank the Chevra, Relatives and friends for their letters
of condolence at the sad loss of my sister Micky.
In Bristol we are like one big family. We share our Simchas and we also share
our sorrows., which is very comforting at a time like this.

Betty Glick.

Bernard wishes to express his grateful thanks to all Relatives and
Friends who gave such kind and touching sympathy after the sudden loss
of his mother, Micky Ginsberg.
Especially thanks is expressed to Len Gould and Ike Kuchener who officiated
with such feeling and kindness at the Burial and Evening services.

Dear Friends,

I would like through your columns to thank Len Gould and all our dear
and wonderful friends for their warm and touching response during my
recent bereavment, especially at such short notice.
You're a grand bunch.

Ann Handel.

OBITUARY

It is with regret that we learn of the death of Micky Ginsberg, who died aged 81 after a fall in her home. I can do no better than to take a few extracts from Ike Kushner's address at the Funeral where he quoted the following.

"The Dysch family have always been involved in the congregation whether it be on the Council, Chevra Kadisha or the Ladies Guild or most probably on all three. Another aspect is that as the Jewish people become more affluent they seem to lose their character and humour and humanity. This was not so with the Dysch family as the memory of Syd is still legendary among us older ones. Auntie Mick was no exception. She gave what was most valuable to her- of herself and her time. There was never an occasion that she did not attend. Stairs or rheumatism did not deter her and her presence with her bright smile and quick wit was always an inspiration to all who met her.

Apart from this she was an independent little lady. She was in short a giver and not a taker, doing things for others whether cooking, baking or her famous crocheting."

It is with these quotes that we wish all her family Long Life with the knowledge that Auntie Mick will always be remembered in Bristol.

LADIES (& GENTLE MEN).

From the piteous wailing of a Cri de coeur, heard so frequently at this time of year (and at most other times)-"I must just lose some weight"-an idea has been conceived. Why do we not start our own Self- Help Slimming/Tripping Group within the community? There would of course have to be some financial consideration.

- (1) to defray costs incurred.
- (2) There's nothing like having money at stake to keep us frail mortals on the straight and narrow (like what we all wants to be!) and
- (3) any profit could be put to good use in our favourite charities.

If you would like to be one of the midwives ready to give this embryc idea a hefty slap on the backside, to bring it to lusty life, please contact ANN HANDEL on Bristol 566599 as soon as possible (can we afford to WAIT much longer?) so that we may see how best to organise ourselves.

ANN.

The EDITORS realise the poor quality of the RECORDER at times. This is due to the fact that we only have a hand operated duplicating machine, designed for printing on one side only of a page. Any one who knows of a Photo- copier going for a song the EDS will gladly sing for it.

FUTURE ACTIVITIES

SATURDAY 6th February

Kiddush after the Shabbat Morning Service
for the Community & Students

Monday 15th February 8.0pm

Talk by Mr Brian Seel - Orthodontist
Frank Cohen Hall.

The Ladies Guild & Community have suffered a sad loss with the death of Mrs Mickey Ginsberg. Mickey Ginsberg - Aunty Mickey to most of us- although handicapped with arthritis, had a delightful sense of humour and was always an active and willing worker for the Guild. She will be sadly missed at our meetings and functions and will not be forgotten.

We wish her son Bernard, Betty Glick and family 'Long Life' and extend our deepest sympathies to all. We would also wish to extend our condolences to our vice- chairmen Mrs Ann Handel on the loss of her dear Mother, and wish her 'Long Life'.

Owing to even worse weather conditions than December - a slight understatement - our meeting of January 13th and our Dinner Dance of the 17th January had to be postponed again.

Mr. Brian Seel, orthodontist. will be giving a talk, illustrated by slides in the Frank Cohen Hall, on Monday 15th February. Mr Seel is a very interesting and amusing speaker, all members of the Community are invited - refreshments will be served.
