BRISTOL WIZO

By now, all of you will be aware that I accepted nomination for a fifth year as Chairman of Bristol WIZO, despite my well publicised intention of not so doing. I honestly felt - and still do - that I was in great danger of becoming "stale" in my leadership and programming, and that Bristol WIZO would benefit from a new Chairman.

When it became obvious that no one was prepared to accept nomination, and that, in consequence, Bristol WIZO would be in great danger of disbanding - which nobody, especially me, wanted to happen - I changed my mind. So, at a well attended Annual General Meeting, the following were elected:-

Chairman	Joy Jacobs
Secretary/Treasurer	Ruth Curwen
Membership Secy.	Rosina Smith
Committee	Marcia Gee
	Ruth Gould
	Linda Hurst
	Kate Lever

Membership of Bristol WIZO has become a problem, in as much as we have only eighteen paid up members last year, whose subscriptions are vital to the administration of British WIZO, so as to enable it to organise the vital fund raising work for the women and children of Israel - for creches, nurseries, after school youth centres, vocational training centres, clubs and homes for mature and elderly women, and - very sadly - shelters for battered wives and rape crisis centres

So Rosina Smith has accepted nomination as membership Secretary to organise and recruit fully paid up membership. I am very much aware that - like myself - all of you support organisations and your purses have a limited capacity; never the less, it is my hope that - like myself - you put WIZO as a high priority on your list.

Programme

Tuesday, 26th. September at 8.00 p.m.

Kate Lever will be our hostess at her home at 16 Julian Court, Julian Road for an Open Meeting to formulate our fund raising and social programme for the coming year. Some offers and ideas have been made, but more should be forthcoming and will be welcomed.

Wednesday, 25th October.

A Note for your Diaries!! Our first Jumble Sale at a new venue and on a new day. The Bishopston Community Centre is no longer available, as it is being sold for redevelopment. A search for a new venue has been successful - the hall of the Henleaze United Reform Church - which is on the corner of Henleaze Road and Waterford Road, opposite the Henleaze Park ESSO Service Station - between 12.00 p.m. and 3.00 p.m. So please start collecting for it now. Help on the day - as always - is wanted and will be appreciated.

Shalom, and with all best wishes

Joy

WOMEN'S MEETING

Following our highly successful first meeting in July, we are planning a second meeting.

This will be either 11 or 12 October - details in the next Recorder.

THE LEVER GOLDEN WEDDING PROJECT.

As you will all recall, it was the intention that all monies donated to this Project by friends and relations of Kate and Ernest Lever on the occasion of their Golden Wedding was to be spent on a WIZO project in Dimona, the British J.I.A. Project Renewal development. For many reasons, this idea proved to be not possible, so a search for a acceptable alternative to Kate and Ernest was undertaken.

Eventually, the Cardiff Betty Silver WIZO Group agreed to the redecoration and refurbishment of a room at the Mature Women's Center at Beersheva, which they sponsor, and a cheque for the final total of £1230 has been allocated for this vital work.

The Cardiff Betty Silver WIZO Group wish to place on record their deep and sincere appreciation to all those who contributed towards this important work in Kate and Ernest's names.

REMEMBER JOE SINAI?
=====

Many members of the Community will remember Joe(Yoave)Sinai,an Israeli,from his visits to Shul on a number of occasions.He helped with Security,and cooked the fallafel for the last Chanukah Party,among many other things. Unfortunately,due to a series of mishaps and poor advice,Joe has been deported under the Immigration Act,because his right to stay in this country was questioned even though he is married to a British subject.

His wife,Maria Utine,is obviously very distressed by the situation,and is organising an appeal to allow him to return,if only to settle his affairs,sell their house,and emigrate to Dominica,which is Maria's country of origin. Bencie Wolf and I and Chava and Arnold Levin,are trying to help Joe and Maria to resolve their predicament.If any member of the Community would like to offer a gesture of support,they might like to write a letter pleading on his behalf to the Solicitor who is handling the case:

OBITUARY TO A DOG.

No this is not a shaggy dog story, although NASHER was a rather shaggy dog at times. NASHER was 19 when she went to that big doggy kennel up in the sky. She was the family pet of Paul and Shelly Blackstien, son Simon and daughter Sarah. NASHER was a few weeks old when Paul acquired her, long before the children were born. This bundle of black and white wool became known as NASHER, and where Paul went NASHER went and where NASHER went Paul went. He was even known to call her MY DAUGHTER.

One day Paul was travelling through the centre of Wales and he stopped on top of a mountain to let nasher out for a run. You'll never guess but within minutes she had rounded up all the sheep in sight and tucked them into a corner of a field. Not only had she never seen a sheep before but she couldn't even speak Welsh.

Nasher grew to be a favourite with all the members of the Bristol community before Paul and Shelly left Bristol for London, so we can't let the passing of this well loved canine go without a small mention.
