

Dr. Janette Silverman
Senior Genealogist, Research Manager
ancestryProGenealogists
jsilverman@ancestry.com

The Jewish Theological Seminary in New York is often off the radar screen for many genealogists but the library is home to almost half a million volumes including manuscripts, rare books and archives. The archives are a treasure yet to be explored by so many of us and yet it is a rich repository of records of Jewish communities, institutions and prominent individuals in the US and Europe
